

MICRO BLAST UPDATE

MAY 31, 2010

Hello Parents:

Please read this newsletter as we hope it will serve to update you on the events/sessions ahead for our upcoming fun summer.

◆ 1ST WEEK IS NOW COMPLETE

Yes, with all the planning and anticipation. It is hard to believe the first week is now history. Thanks to all parents for their patience leading up to this week.

You would have heard of our intent during our parents' meeting of not having any children (up to a reasonable date) within our waiting list. Our goal was to reach out to as many parents as early as possible to achieve our expectations.

The results?

An increase of 8 teams (20 to 28 teams) within our U5 group.

With this in mind, unfortunately 4 teams uniforms were on back-order. To those parents, we appreciate your understanding. Please remember: if you registered beyond April 15th. Your possibility of your child's participation would not have happened. As, we would have kept the same 20 teams as last year.

◆ INFORMATION AT A CLICK OF A MOUSE

Please refer to this link for any information you may require throughout the summer:

◆ 1ST WEEK = 1ST RAINOUT

With all the good weather we have been having. It was evitable that a rainout was to occur.

The Thursday (U5C & U5D) session was cancelled. Your May 29th session has been rescheduled to **Friday, June 25th**.
Revised schedule to be posted soon.

RAINOUT PROCEDURE:

In the event of inclement weather. We recommend you check our website first before proceeding to the playing field. This past week the rain, thunderstorms and lightning happened too close to session time to react on a timely manner.

Please do not call or email our office or director. The calls are simply to demanding to answer and/or respond.

MICRO BLAST!

Friendly reminder:

To make our Micro Blast Program a success.

It requires everyone's involvement. No matter how big or small.

▶ **UNIFORMS/SOCCER BALLS**

Reminder: your child should come to his/her session with their unmarked soccer ball. Please drop by the office to pick up if you have not received your soccer ball or uniform.

If by chance you forget to bring your ball. Our instructors will have some available for your child's session. DO NOT take home and kindly return after your session. We have allocated a certain number of balls per total registration numbers. We will simply incur extra expenditures on behalf of our club if we have to order more. With everyone's help, let's try and keep next years fees as low as possible

▶ **SAME TEAM UNIFORM NUMBERS**

Some of you are probably wondering why some teams have a couple of players with the same uniform numbers?

We endeavour to do our best to accommodate your families time and commitment. There have been several requests to switch nights for various reasons. The simplest solution was to move that child to the same coloured team on a different night. In most cases the uniform was already handed out.

If, we as parents do not make an issue.

Our children will not. After all, we do not keep score or play games of record.

THERE WILL BE NOT ANYMORE SWITCHING OF NIGHTS MOVING FORWARD.

▶ **GET INVOLVED - MAKE IT WORK!**

As you probably have already witnessed. Our complex is a beehive of activity.

With all the teams involved. It is imperative we all try our best to get involved. Be prepared to step up if you have no parent volunteer representation.

Remember: these volunteers are doing their best to ensure your child is enjoying the evening.

It was wonderful to see the many teams that were already prepared with snacks and team spirit. WELL DONE TEAMS! We encourage the same of all teams.

▶ **TEAM/INDIVIDUAL PHOTOS**

Reminder that we will take the week of June 14th as your team/individual photo day. Please check your schedule on the day and time for your team.

Bring your envelope with payment if you wish to purchase extras only.

▶ **VOLUNTEERS NEEDED**

If you wish to help out during our photo week or our Micro Fun Day. Please contact our director: microsoccer@bramptonyouthsoccerclub.ca

Enjoy your Micro Blast Summer!
