

**THE CITY OF BRAMPTON OUTDOOR SPORT FACILITY**  
**RAIN OUT POLICY**

The criteria used by the Parks Department to determine if a field/diamond is judged to be unplayable is:

- FIELD:           a) Visual puddles of water on the surface of the field.  
                      b) Water sponging up around your feet when you walk on the field.
- DIAMOND:       a) The Parks Department staff **will not** call a diamond unplayable.  
                      b) The umpire will be responsible for calling the game unplayable if there is lightening or if he/she deems the diamond as being unsafe for playing.

If either of these conditions are in existence, the playing field is considered “UNPLAYABLE.” In many instances the Parks Department attempts to post all soccer fields with a “Field Unplayable” sign.

If your group arrives at a **soccer field** with these conditions in existence, you are asked NOT to play on the field, which is a safety factor and you may cause damage to the field. The permit holder shall pay for all damages to the field arising from this type of facility abuse where he/she is considered responsible.

**PROCEDURE TO FOLLOW DURING INCLEMENT WEATHER**

- WEEKDAYS:     Call the Parks Service Centre between 3:30 PM – 4:30 PM on the day of your permitted game or practice to obtain a report on field conditions. After 4:30 PM please call Earnscliffe Recreation Centre. Please call Chinguacousy Park directly for updates of their facilities.
